RE: SR 75 – First Responder Day
County of Riverside: SUPPORT

Dear Senator Morrell:

On behalf of the Riverside County Board of Supervisors, I write in support of your Senate Resolution 75, which declares September 23, 2018, as First Responder Day.

The Senate Resolution appropriately recognizes the contributions, sacrifices, and courage of the men and women across California who make up our emergency response system. Given our state's propensity for natural disaster – floods, fires, earthquakes, and other acts of God – it is fitting to take the time to reflect upon first responders' daily contributions to the health and safety of our communities. In emergencies big and small, our communities depend on our first responders' skills, training, and valor to provide life-saving services in the face of accidents, natural disasters, as well as threats of violence and terror.

We thank you for your leadership in honoring our first responders in SR 75 and are pleased to join you in supporting this important recognition.

Sincerely,

Chuck Washington
Chairman, Riverside County Board of Supervisors
